Steelcraft GrainTech® The best steel door, available with Von Duprin's **INPACT™** exit device. The Steelcraft GrainTech door series gives you the rich look of real wood grain with the strength of steel for a door that withstands extreme wear and tear. Our exclusive embossed grain and staining process simulates the beauty of wood with six factory colors. The GrainTech door can be ordered with Von Duprin's INPACT exit device in a pre-installed door system. Von Duprin's INPACT exit device is the latest innovation in design, giving you low profile, great looks and durability. Two great brands that can be ordered separately as well.
