

STEELCRAFT®

3-Day Express Frames

The Steelcraft Express Frames program makes the process of ordering and storing inventory easier than ever. When sticking to tight schedules and aggressive deadlines, it's critical to get your frames to the job site fast. The Express Frames offering provides three day shipping on select frames with the sense of urgency you require.

3-Day Express product availability

- See reverse side for current frame availability

3-Day Express ordering

- Orders must be placed using OEW (Steelcraft's online order entry tool)
- OEW incentive discounts do not apply
- Please consult your Sales Rep for program discounting
- Program penalty applies to either buying program orders or valid project quotes
- For frame needs larger than 50 please contact your Sales Rep
- Orders will ship LTL but upon request can be held for that week's scheduled shipment if applicable
- Order clarifications or incomplete information may result in a delayed lead-time
- Three day lead-time starting the day after order receipt. Order cut-off time is 1pm EST

Day of order (before cutoff)	Day of shipping
Monday	Thursday
Tuesday	Friday
Wednesday	Following Monday
Thursday	Following Tuesday
Friday	Following Wednesday

Note: The cutoff dates will be adjusted for weeks with holidays. Refer to the weekly lead-time bulletin for any schedule adjustments.

Fast, reliable, quality

Steelcraft is dedicated to improving the efficiency and customer satisfaction of their service programs. Steelcraft also has a complimentary two day stock program in addition to its standard stock program. Some exceptions apply. Please see the Express two day sheets for more detail.
