

Express Frames

3-Day

Making the Process of Ordering & Storing Inventory Easier Than Ever

When sticking to tight schedules and deadlines, it's critical to get your frames to the job site fast. The Express Frames offering provides three-day shipping on select frames with the urgency you require.

Fast, Reliable & Quality

Steelcraft is dedicated to improving the efficiency and customer satisfaction of their service programs. Reach out to your Sales Representative to learn more about our 5-Day Express Doors program and 2-day stock program.

Ordering

- All 3-day express frames must be ordered through Steelcraft's online order entry tool, OEW (OEW incentive discounts do not apply)
- Program premium will be applied to either buying program orders or valid project quotes; consult your Sales Rep for program discounting
- For frame quantities larger than 50, contact Customer Care at 877-671-7011
- Orders will ship LTL but upon request can be held for that week's scheduled shipment if applicable
- Order clarifications or changes may result in delayed lead-times or cancellation charges
- Three-day lead time begins the day after order receipt (Note: order cut-off time is 1pm EST)
