

STEELCRAFT®

5-Day Express Doors

The Steelcraft Express Doors program makes the process of ordering and storing inventory easier than ever. When sticking to tight schedules and aggressive deadlines, it's critical to get your doors to the job site fast. The Express Doors offering provides five day shipping on select doors with the sense of urgency you require.

5-Day Express product availability

- See reverse side for current door availability

5-Day Express ordering

- Orders must be placed using OEW (Steelcraft's online order entry tool)
- OEW incentive discounts do not apply
- Please consult your Sales Rep for program discounting
- Program premium applies to either buying program orders or valid project quotes
- For door quantities larger than 10 please contact Customer Care at 877-671-7011 (Press 1 for Sales Support)
- Orders will ship LTL but upon request can be held for that week's scheduled shipment if applicable
- Order clarifications or changes may result in delayed lead-times or cancellation charges
- Five day lead-time starting the day after order receipt. Order cut-off time is 1pm EST

Day of order (before cutoff)	Day of shipping
Monday	Following Monday
Tuesday	Following Tuesday
Wednesday	Following Wednesday
Thursday	Following Thursday
Friday	Following Friday

Note: The cutoff dates will be adjusted for weeks with holidays. Refer to the weekly lead-time bulletin for any schedule adjustments.

Orders through Chino will have a Wednesday 1pm EST cutoff to ship on the shuttle truck to Chino.

Fast, reliable, quality

Steelcraft is dedicated to improving the efficiency and customer satisfaction of their service programs. Steelcraft also has a complimentary three day Express Frame program in addition to a two day Express Stock program. Please see these two program sheets for more detail.
