

ALLEGION™

REGIONAL SERVICE CENTER

Kansas City Regional Service Center

Steelcraft Service in KC. Quality & Capabilities, Centralized,

Our newest Regional Service Center has come to Kansas City. Featuring a dedicated local team, this location is designed to meet the needs of your projects with stocked doors and frames or a wide array of modifications. Applying technical expertise and Allegion wide support, we are ready to estimate, supply and troubleshoot your project at every step ensuring your hollow metal needs are not only met, but exceeded.

For further details and helpful contacts, consult the reverse side of this page or our website at Steelcraft.com, at Kansas City Service Center, under locations.

Inventory
